COMPLETE REMODELED 3 BEDROOM, 2 BATH HOME WITH VIEWS!
75077 Cottonwood Drive, 29 Palms. JT24119253 – \$579,000.

Simple Elegance is what you will find in this expansive 2200 square foot home. With a very recent & complete remodel that includes too many items to mention, you will enjoy how tasteful and cohesive the design flows. The same colors and materials are found in almost every room of the house including the flooring, counter tops, light fixtures and faucets as well as many other items included in this partially furnished home. Designer Friendly lighting fixtures and custom window treatments add to the overall appeal of the interior. "Open Concept" comes to life with the combined Den and Living Room providing a vast space to entertain a large crowd and place the largest of furniture or art. Two bedrooms were also combined to create a massive space to use as a studio, playroom, or ample work/sleep area. The Main Bedroom has an attached Bath and Patio Access. All 3 Bedrooms feature new paint, new Shaw carpet and new mirrored closet doors. Other convenient features are a circular driveway in front, two car finished garage in the back, on-demand water heater and a paid solar system with cash back from Edison each month. For added protection there are multiple Ring security cameras which will transfer to the new owner. Two invisible but important items are the newer septic system and new triple attic insulation. This is a rare find for a house this size on such a large lot in a quiet and peaceful area so close to Joshua Tree National Park! Come take a look, you will not be disappointed!
