Our Mission at Joey's Home is to rescue the horses we can and assist in rescues when it is needed. To network with other rescues in saving at risk horses. To educate the public in the care and treatment of animals.

Rescue | Rehab | Retrain | Rehome

100% of every dollar donated provides care and shelter of the horses!

Love Horses? We have horses that need sponsoring! The more help we get, the more we can rescue from being sold for slaughter!
See our website or facebook page for updates & adoptable horses!

Call to see ALL the ways you can help us rescue and care for the beautiful horses!

Hay is so high I about had a heart attack! Last November just under $4500, April $10,000. Now a semi load of 23/24 tons is almost $12,000! No wonder we get almost 1 call a day from people that can't afford to keep their horses. If you can please help us feed these horses with a few dollars through: Venmo @joeyshomeanimalrescue or PayPal. Thank you for all your support!

and CEO of White Rock Horse Rescue

White Rock Horse Rescue and Retirement, Inc.

IMPORTANT NOTICE!

We have made an extremely difficult decision. As of today White Rock Horse Rescue and Retirement, Inc. will not be accepting any new horses. We have been at max capacity and only allowing new horses in as others get adopted for over 2 years. Due to the increases in the cost of feed our bills have continued to sky rocket. This has caused a lot of financial strain and emotional stress on the ranch. Isabel has worked extremely hard to make ends meet, but it is time to make changes. Our goal will be to continue providing a high level of care to our existing herd. We will focus on adoptions and when the time is right we will announce when we can begin accepting new horses. In the upcoming days, weeks, and months you will see us fundraising and trying to find sponsors for our horses. We still need your help.This is NOT goodbye!
